A STUDENT'S PRAYER

ALMIGHTY GOD, giver of youth and strength, we ask Thy richest blessing on our beloved school. Enlighten with Thy supreme wisdom those who teach and those who learn. Grant to us an humble spirit that we may know Thy power, a steadfast purpose that we may attain greater heights, a ready heart to receive Thy blessings, and joyful hope for days to come. May we strive to keep our bodies physically strong, and minds mentally alert, and our souls spiritually clean. Inspire us to greater service in opportunity and to loyalty in every obligation. Grant to us a desire for higher ideals, love for our fellow man, and most of all, a living faith in Thee. Amen.

DEDICATION

We know that words can never express exactly how we feel, but for your patience, we offer our thanks— for your inspiration, our ambitions— for your faith, our futures— but most of all for your love we can only offer ours in return— as we dedicate the

 Never a moment dull,
 A life that's full
 Is in store for Frankie, a lov-
 able sort.*

Will see quite a smash
If he doesn't slow down his

From a true friend whom we

REMINISCENCE

We've passed four years at M.H.S.,
Times of work, fun, and happiness.
It seems it's been no time at all
Since we entered high school that fall.

English for four years, and math for two;
History and Latin, and homework to do;
Physics, Spanish, typing and home ec.
By the time that you finish you feel like a wreck.

But now we have our units, and are ready to leave;
Some will be happy, and others will grieve.
After graduation a new life begins,
Going to college, or working, and leaving our friends.

Later we'll look back and probably recall
Teachers, lessons, ball games and all.
These years have been fun, we can not deny;
And to M.H.S. we say—good-bye.

SUMMARY OF

Morganton High's 1953 gridiron season opened September 5, with Coach Dan Robinson's Wildcats swamping Hudson 52-0 in a non-conference battle. Billy Joe Caroway scored three times, and Gene Turner, twice, while Charlie Butler, Jerry Norvell, and Dean Cline each tallied one in the rout. Jack Mode booted three extra points and Dean Cline added another.

As a result of the resounding victory over Hudson, one of the top eleven in the Highland Conference, the 'Cats began to be tabbed in many parts of the state as "*the team to watch in the Western AA Conference.*"

A week later the Wildcats faced Newton-Conover's Red Devils on the home field for the Conference opener, and showed their potential strength in mauling the invaders 33-0. Gene Turner hit paydirt twice and Jack Mode, Bucky

Reep, and Johnny Greene scored one apiece in the local offense. Dean Cline converted for three extra points.

Morganton's visions of an undefeated season were shattered the following week as the strong Shelby High Lions rolled to a 12-0 upset victory over the locals. The 'Cats pushed deep into Shelby territory several times but failed to score.

The Wildcats jumped back into the win column in their next outing with a 20-0 triumph over Marion. Gene Turner tallied twice to pace the Morganton offensive, while Charlie Butler added another six points. Dean Cline completed two conversions.

The powerful 'Cats continued their winning ways with an impressive 46-0 victory over Lincolnton. Bucky Reep led the 'Cats attack with

three tallies while Turner scored two and Norvell and Mode each had one. Cline converted for three extra points and Sam Reep added one.

Hickory High's Tornadoes were the next to fall before the charges of Coach Robinson, with the locals bringing home a 35-6 triumph. Bucky Reep sparked the Morganton assault with four touchdowns, while Gene Turner registered another. Cline completed all five conversions successfully.

The Wildcats three game winning streak was suddenly snapped the following week by Rutherfordton-Spindale's Hilltoppers. A nip and tuck battle saw the Hilltoppers edge the 'Cats 14-13 to register one of the biggest upsets of the Conference season. Turner and Caroway scored for Morganton. Cline added one extra point.

The Story of Drexel

In the making of fine furniture there are a great many operations that must still be done by hand. At Drexel where the best of modern machinery is used there are still more than three hundred individual hand operations. Nearly all of the eighteen final steps that produce the color . . . the depth . . . and the glow of Drexel finishes are performed by hand.

The use of the finest in modern furniture making machinery is part of the Drexel aim to bring beautiful furniture within the price range of the average homemaker.

The scientific precision of these modern machines—many invented by Drexel craftsmen themselves, result in enormous savings in time . . . in labor . . . and in expense. *But unless the machine can do a better job than humanly possible by hand, then Drexel continues to use the hand process.* No machine, for example, yet invented can reproduce the fine hand touch that brings out the distinctive satin-smooth finishes of Drexel masterpieces.

When you see the famous "by Drexel" seal carefully branded in each distinctive piece of Drexel furniture you can then be sure of superior craftsmanship.
